

Accessing Lesson Instructions Via SLS

Where to access the lessons instructions for the day?

You will access the lesson instructions via your **SLS planner**.

Prior to that, you will need to pin your class groups so that you can view the lesson instructions by default in your planner.

For the Sec 1s:

- Your subject teachers will also be providing instructions and hardcopy work to you before Learners for Life Day.
- You are expected to take note of the expected learning and work to be completed.

Other Benefits Of Pinning your class group

- appear first under the Class Groups tab on the homepage.
- appear under Class Groups from the left menu.
- appear at the top of the list of Class Groups on the Class Groups page.
- appear at the top of the list of Class Groups when assigning a Module.
- appear at the top of the list in dropdown fields involving Class Groups (e.g. when viewing Class Group Notifications).
- **appear by default in the Planner.**

The screenshot shows the 'Student Learning Space' interface. In the top-left corner, there is a red square icon with a grid pattern, which is the left-hand navigation menu. An orange callout box with the text '1. Click on left menu' has a red arrow pointing to this icon. The main header area includes the text 'Student Learning Space', a search icon, a notification bell, a user profile icon, and a vertical ellipsis menu. Below the header, a welcome message reads 'Welcome back Soh Mei Yee (Su Mei Yi)!'. There are two buttons: 'My Drive' and 'User Guide'. The main content area is divided into two sections: 'Class Groups' and 'Assignments'. Under 'Class Groups', there are four cards: '2024 SchoolAI Professional Development Group', 'Bartley Teachers Professional Development Group', 'BSS Science Student Group - Science', and 'Edutech Comm Student Group'. On the right side, there is a 'No Announcements' section with a bell icon and a 'VIEW ALL ANNOUNCEMENTS' button. Below that is a calendar widget showing 'THU 02' and a time slot for '4PM'. At the bottom, there is a 'Help us improve' button and a Windows taskbar with the time '4:52 PM'.

The screenshot displays the 'Student Learning Space' interface. On the left, a navigation menu is visible with the following items: Home, Announcements, Planner, Self-Study List, Assignments, Learning Progress, Resources, and Class Groups. The 'Class Groups' item is highlighted with a red rectangular box. Below 'Class Groups', the text 'All Class Groups' is visible. The main content area shows a grid of class groups, including '2024 SchoolAI Professional Development Group', 'Bartley Teachers Professional Development Group', 'SS Science Student Group • Science', and 'Edutech Comm Student Group'. A calendar widget on the right shows the date 'THU 02' and a time slot from 4PM to 5PM. A text box at the bottom of the screenshot contains the instruction: '2. Click on class group followed by All Class Groups'.

The screenshot shows the Singapore Student Learning Space interface. At the top, there is a dark blue header with the Singapore Student Learning Space logo on the left and search, notification, and user profile icons on the right. Below the header, the page title "Class Groups" is displayed. There are two tabs, "Current" and "Past", with "Current" selected. A "LIAISON GROUPS" link is visible on the right. A blue button labeled "+ ADD NEW GROUP" is centered below the tabs. A "Role" dropdown menu is set to "All". A search bar labeled "Search for Class Groups" is present. Three class group cards are shown: "R19 Chem Chemistry" (Class - Chemistry), "Secondary 4 Chemistry", and "2023 SLS Group" (Group - English Language). Each card has a blue pin icon in the top right corner. A red circle highlights the pin icon on the "R19 Chem Chemistry" card, with a red arrow pointing to a text box that says "3. Click on the pin to pin the class group." Below the cards, there are vertical ellipsis icons on the left and right sides.

The screenshot shows the 'Student Learning Space' interface. At the top left, the logo and name 'Student Learning Space' are visible. Below this is the 'Planner' section. A dropdown menu is set to 'Select' with an 'APPLY' button next to it. Below the dropdown, there are three view options: 'Personal', 'Day', 'Week', and 'Month'. The 'Day' option is highlighted with a red box. Below the view options, there is a date selector showing '03 Jan 2025' with left and right navigation arrows. This date is also highlighted with a red box. Below the date selector, there is a calendar grid showing the date '3' under the 'FRI' header. A blue callout box with the text '2. Select Day view' has an arrow pointing to the 'Day' button. Another blue callout box with the text '3. Ensure that date selected is correct.' has an arrow pointing to the '03 Jan 2025' date. The interface also includes a 'TODAY' button on the left, a '+ NEW EVENT' button on the right, and a 'Help us improve' button at the bottom left. The Windows taskbar is visible at the bottom of the screen.

Where to access the lessons instructions for the day?

3 of 4

The screenshot shows the 'Student Learning Space' interface. At the top left is the logo 'Singapore Student Learning Space'. The main area is a calendar titled 'Planner 3'. It has tabs for 'Day', 'Week', and 'Month', with 'Day' selected. The date is '03 Jan 2025' (Friday, 3). A 'TODAY' button is on the left, and a '+ NEW EVENT' button is on the right. The calendar grid shows a time slot from 7 AM to 8 AM. An event titled 'Lesson instructions Test' by 'BARTLEY TEACHERS' is scheduled for 07:00 AM. This event is highlighted with a red rounded rectangle. A red arrow points from the event to a blue callout box containing the text: '3. By default, you will see your pinned class groups in your SLS planner. 4. Click on it'. At the bottom left, there is a 'Help us improve' button with a smiley face icon.

4 of 4

The screenshot displays the 'Student Learning Space' interface. A 'Planner' window is open, showing 'Event Details' for a 'Lesson instructions Test'. The test instructions are: (1) Read up TB page 1 to 5 and (2) Complete SLS quiz to access learning. The event is organized by Soh Mei Yee (Su Meiyi) and scheduled for 03 Jan 2025 from 07:00 AM to 01:01 PM. To the right, an 'Assignment' window is open for 'Chemical Bonding' (Secondary 4 Chemistry), with a due date of 17 Feb 2023 at 11:59 PM. A red arrow points from the 'Lesson instructions Test' window to the 'Chemical Bonding' assignment, and another red arrow points from the 'Chemical Bonding' assignment to a blue callout box.

5. You will be able to see details of lesson instructions

6. Sometimes your teachers may attach lesson assignment within SLS within the event details. Click on it to access the assignment directly.
