Dear Parents and Guardians

Enhanced School Measures for 2019-Novel Coronavirus

To ensure the well-being of our students, the school has put in place precautionary measures to help prevent the spread of the Novel Coronavirus. These measures include daily temperature-taking and educating our students on personal hygiene.

MOE is constantly reviewing precautionary measures to ensure that our schools remain a safe and healthy learning environment for all our students.

Social Distancing Measures

In line with the latest measures, we will be suspending all mass activities, including mass assembly and school camps. Therefore, the **Experiential Learning Week (ELW) including the Parent Engagement Sessions scheduled for Term 1 Week 6 (10 Feb to 14 Feb), will be suspended until further notice.** Instead, normal timetable will resume for that week.

The school will also be reviewing our programmes to minimise students' exposure to large crowds. These include our Learning Journeys and Values-in-Action activities. We will keep you updated with more details soon.

CCA and After School Programmes

CCA and after school programmes will continue. The school will continue to take precautionary measures such as ensuring the well-being of our students, and conducting temperature and travel history screening for all visitors, vendors, coaches and instructors before they come into contact with our students.

The school will continue to be vigilant and work hard to ensure the safety and well-being of our students. We will constantly remind our children to practise good personal hygiene, and be socially responsible.

In the event that your child/ward is unwell, we seek your cooperation to ensure that he/she is taken to see a doctor promptly, and remains at home until he/she recovers fully.

As the Novel Coronavirus situation evolves, the school may need to engage parents regularly on developing scenarios. Parents are reminded to stay logged-in to Parents Gateway (PG) to receive new notifications and updates promptly.

Together, we can keep the school safe and healthy for everyone in the Bartley family.

Thank you.

Yours sincerely

Mohd Azhar Terimo
